NOTE.

To economise in paper and labour, the contents of this volume are designed to serve essential official requirements. The usual list of cadres of the All India Services etc., particulars of many other posts and holders, and records of service of a number of officers otherwise eligible for inclusion have thus been held over.

Unless they appear elsewhere in the volume, names in the Alphabetical Honours List (pages 57-118), and in the Record of Services (pages 119-384) are omitted from the Index of Names (pages 385-395), Indian and Burman names are indexed as in the Civil Lists of the Central and Provincial Governments of India and of the Government of Burma.

The principle of selection followed in the Alphabetical Honours List and in the Record of Services (subject to the remarks in paragraph 1) is explained on pages 57 and 119 respectively.

It is requested that intimations of errors in the lists may be addressed to the Editor of the India Office and Burma Office List, India Office, Whitehall, London, S.W.1.
